

## CERTIFICATION

By the signatures below, the North Carolina Division of Air Quality (NCDAQ) certifies that the information contained in the 2010 Five-Year Network Assessment for North Carolina is complete and accurate at the time of submittal to EPA Region 4. However, due to circumstances that may arise do to changes in the monitoring regulations, population growth, and air quality, some network information may change. These changes will be discussed in the Annual Network Plans submitted each year.

Signature   
Donald D. Redmond, Jr.  
Ambient Monitoring Section Chief, NCDAQ

Date 7/1/10

Signature   
Sheila C. Holman  
Director, NCDAQ
